This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

They did not deny it.

Did you read what they had written?

No. I'm no scholar, But they were sitting with papers & pens before them.

Did you enquire of them whether they were making out ye return?

I did.

End of Mann's first examination

Mr. Berkley a Judge of the Election also being sworn says &c.

Two Judges of the Election Stewart & Jones came in early on the 2d day after the Election. Mr. Thompson from Huntington came in also on that day but later. Those who had first come became uneasy and wished to return to their homes—proposed to make up the returns & declare ye Election. Consulted the Law. Mr. Cluggage another judge then came. Went to Wards—sent for the Law, read it frequently concluded to wait till 10 o'clock at night. Then went to the Court House — made up a Gen. Return from such particular ones as we had. This took us a considerable time. The Cryer made proclamation of the number of Votes. Next morning met before Breakfast—agreed to meet at Wards & make out the certificates. This done, we went upto the Court House & then signed them with ticketts for the different members.

Q. Were the returns made out & figured about 12 o'clock at ninght the znd day?

Yes.

Did you know of a return having been accepted the 3rd day after ye Election was held in Bedford Co. the last years?

I do not.

End of Mr. Bs first examination.

The preceeding evidence was taken to enable Council to determine whether the return of ye 2d District, not received by the Judges met at Bedford, should be admitted into the Gen. Return. This Question was determined in the affirmative. The follow'g. Witnesses were brought forward to estab-

lish what number & description of ticketts were set aside & destroyed at ye 1st & 2nd Districts by the Judges of ye said Districts & the reasons why they were so set aside and destroy'd.

Witnesses addressed by Mr McM.

John Cesna being Sworn says—

That he was at ye Election of ye 1st District, and that ticketts were there given by persons not having a right to vote from not having lived long eno' in the County. Mentions one Richey & Mr. Dougherty. Storekeeper as coming under this description that ticketts of Others having a right to Vote were refused——Mentions two men by the name of McCasland (illigible) & one James Anderson as instances of this.

A List of Rtns being then read by him he mentions the name of one Marshall as coming under the same description with Richey.

Do you know for whom Mr. McCaslands Anderson would have voted for as Councillor?

Yes. One of the McCaslands and Anderson would have voted for Martin the Other little Sam McCasland would I believe have voted for Mr. Woods.

What was the reason that the votes of the McCaslands and Anderson were not recv'd?

Because they had not brought certificates, one of them offered to make Oath to his having taken ye oaths but was not permitted.

How many tickets were destroyed as being illegal?

26. 22 of which were for Mr. Martin—4 for Mr. Martin.

How do you know that to be the fact?

By the hand writing on the back of them—& the thread with which they were tied up, I took particular notice of them —They were all for me as Sheriff.

Did you see the insides of them or any of them?

No.

Why were these Rtn set aside?

Some for wanting the name of a Commissioner others from being divided improperly & others from not being divided at all.

How many votes were there in the different Townships?

Providence 80

Colrain 34

Cumberland 18
Bedford (doubtful) 77
Londonderry 8
Total 227

I requested Mr. Barkley to take care of the Ticketts torn.

End of the Evidence on ye part of Mr. M. concerning District 1st.

Mr. Martin himself sworn concering the Service of the Subpeneod upon Mr. Alexander &c &c

I saw Mr. Alexander—ask'd him to come down—said he was a material Witness as he was posessed of the ticketts set aside in the 2d Districts. I did not Shew the Subpaena to Mr. Alexander—I had not it with when we met.

What was Alexander's reply?

That he had not the Ticketts—that they had been destroyed—I then observed that He could recollect for whom they were given but to this he said—"I cannot positively say —Several were given for both Candidates & were he upon oath could not say which had most.

Were you at the Election?

Yes.

Were you there when my ticket held to be imperfect was rejected?

I observed a tickett cut into four pieces. Yes, Woods was in that the Concillors I opposed the admission of this tickett believing then that the law was against it.

Did you think the Judges rejected any good ticketts?

I did not then think so.

Mr. Ried Sworn.

I was not at the beginning of the Election.—I saw a number of the votes destroyed. I heard a number of Votes for Mr. Martin read that were destroyed. Altogether 18—2 for Mr. Woods.

Why were these votes destroyed?

Because not separated at all or separated imperfectly.

How do you know the tickets were for Mr. Martin? Did you see or read them?

No. I heard them read.

Br. Barckley being Sworn—

Two Judges came in the first day after the Election, the 2d. day Mr. Thompson came from Huntingdon, the others were uneasy wish'd to go home, proposed to make out the return and declare the Election—consulted the Law—went to Mr. Nagles—came to Wards (Stewart & Jones) Mr. Cluggage came there—sent for the Law and read it frequently. Concluded to wait till 10 o'clock at night..went to the Court house and then made up the return of such as were received—finish'd about 12 oclock—the Cryer made Proclamation of the number of Votes—Next Morning met at Mr. Wards and made out Certificates—went from there to the Court House sign'd them with tickets to the different members—

QQ.—Did you know of a return being accepted the 3rd day at the Election of last year in Bedford.

A.—I do not.

John Cessna doth depose.

That tickets were received from people who had not a right to Vote, having lived in the County only two or three months. Mentions one Ruhy and the store keeper of Mr. Daugherty that the tickets of other intitled to Vote were re-

fused—Mentions two McCaslans, James Anderson and Henry Smith, the reason given was that they had not their Certificates with them—It was known by the Judges they had taken the Oath—one of them offered to Swear to his taken the Oathof Allegiance.

I requested Mr. Barckley to take particular care of the tickets torn.

Mr. Martin Sworn.

Q.—What was the reason Mr. Alexander did not attend?

A.—I asked him to go down, told him he was a Material Witness, he having the tickets rejected in the 2nd. district, he answered they were dstroyed and if he was on Oath he could not say whether there was more destroyed of his than Tickets for Mr. Woods, there was Many for both destroyed.

Q.—Were you at the Election?

A.—Yes.

Q.—Were you there when the first ticket was rejected?

A.—I observed a ticket cut into four pieces. G. Wood Esq'r. Councillor. I opposed the Admission of that ticket believing then, the Law was against it.

Q.—Did you think the Judges rejected any good Votes?

A.—I did not think so at the time.

Q.—Why was not Alexander shewn the Subpoena?

A.—I had it not, when I saw Mr. Anderson.

Mr. Ried Sworn.

I was not at the beginning of the drawing. I heard a number of Votes read for Mr. Martin that were destroyed—Altogether about 18. two for Mr. Wood.

Q.—Why were those Votes destroyed?

A.—Because not cut, or cut improperly.

Q.—Did the Judges differ about rejecting the Tickets?

A.—No. I heard some argument between Mr. Martin and Mr. Crosson.

Henry Rush inspector of 2 District Counted 12 of Martins and two of Mr. Woods that were condem'd, there might have been more rejected because Council and Assembly was separated.

Q.—By. Mr. Woods. Do you think there was more destroyed?

A.—Do not know.

Q.—Was there any fraud?

A.—Knew of none.

Q.—Who took the condemn'd tickets?

A.—Mr. Alexander.

P. (?) Smith inspector of 2d. District.

Q.—Do you know of any tickets destroyed?

A.—Two or 3 for Mr. Woods, 9 or 10 of Mr. Martins. Out of the air box about twenty for Mr. Martin Out of the District—destroyed on Account of there not being separated. Mr. Martin was of Opinion they should be condemn'd. No appearance of fraud—believes the first ticket condemn'd was Mr. Woods. Mr. Cessna saye the first ticket condemn'd was Martins—One of the Judges gave a ticket that was not Separated, not knowing it was necessary to separate them.

Thos. Crosson, Clerk of the 2nd district—he was of Opinion that the tickets disputed should have been admitted. Mr. Martin and the Judges thought they must be condemn'd.

Q.—How many do you suppose were refused?

A.—Beween a dozen & twenty.

Suppose as many for Mr. Woods as Mr. Martin.

Q.—By Mr. Cessna. Did you tell Mr. Woods he had about 7 Votes?

A.—I did—told the Judges Mr. Mann was coming with the return—Objected to the Election as one of the Judges was not a Freeholder.

Monday Dec. 4.

Mr. Barckley, Judge of the first District—Can you give any Account of the papers of the other districts?

A.—I cannot.

Q.—Have you no Abstract from those papers?

A.—I have. he delivered it.

Mr. Barckley says he never refused the tickett of Richey, did not see him—No Objection Made at the time of the Election.

Q.—How many were destroyed for Council?

A.—Not more than nine.

Q.—To. Mr. Mann. How many ticketts were Condemn'd in 2d. district?

A.—Believes about 25, two for Mr. Woods, the remainder for Mr. Martin.

Mr. Davidson was present at Bedford the night the tickets were called of, from the beginning to the End, the first ticket thought to be illegal the Judges were consulted upon and concluded to refuse it.

Suppose 6 or 7 refused. Did not hear those refused read out—did not take notice of Cessner taking an Acct, but saw Pinns (?) in his place.

Reed Continued 3.

Do you recollect whether the number of Votes agreed with the number of names?

I do not.

Did the Judges differ about rejecting the ticketts?

No. There was some Argument between Mr. Martin and Mr. Crossin.

Henry Rush Inspector 2d District sworn &c. saw 12 ticketts for Mr. Martin destroyed & 2 for Mr. Woods. The ticketts were destroyed for want of form. Counsillor & Assembly men not being on the same paper.

Do you think none might have been destroyed?

Do not know.

Who read the Ticketts?

Mr. Wink.

Who took the (illegible) ticketts?

Mr. Alexander.

Do you think there was any fraud committed?

I knew of none.

Were there more ticketts than Votes?

I do not know. I heard Mr. Crossin say they would not agree.

Peter Smith Inspector 2nd. Dist sworn.

Do you know of any ticketts being distroyed?

2 or 3 for Mr. Woods & 20 for Mr. Martin in all, as far as I recollect. In the Air Box there were 9 or 10 ticketts destroyed, they were distroyed for the reasons which have been given, Want of form. Mr. Martin was consulted upon their legality thought they should be condemn'd—I was of opinion no fraud was committed.

Mr. Mann sworn before—now examined touching the ticketts.

How many ticketts were destroyed In the 2d District?

I cannot tell.

How many do you suppose?

Perhaps 20.

For whom were these ticketts?

2 of these were for Mr. Woods, Mr. Woods had 12 from the District of both kinds.

Why were they destroyed?

Some for being improperly cut, 2 for not being cut in any way.

Were there more Ticketts than there were Voters?

Not that I know.

There stops the Evidence as recd. by Mr. Martin.

Mr. Crossin Clerk of the 2d District & Mr. Barkley Judge of the first being in Town tho' not directly subponed to appear on this business—were at the desire of Mr. Woods called in for examinition.

Mr. Crossin being sworn &c.

I attended the 2d District as Clerk. Some ticketts came out divided the Councillor & Assembly men on seperate ticketts. I held the legality of these my opinion particularly disputed & opposed by Mr. Martin, consulted the Law—It was then decided against me & the ticketts were accordingly set aside.

How many ticketts were set aside?

I cannot precisely say—perhaps between 12 & 20 in all.

What number of these was for Mr. Woods?

Tho' I took most notice of these yet I cannot say possitively, it struck me at the time that there were as many for Mr. Woods as for Mr. Martin & circumstances have since confirmd that opinion.

What were these circumstances?

I since met with Mr. Alexander the person who had for some time the destroyed ticketts in his possession—ask'd him whether he had been subponed to attend at Philad., replied he had—but had satisfied Mr. Martin that he could be on no use to him—for (of upon oath) he must declare that of the Ticketts destroyed as many for Mr. Woods as for Mr. Martin.

2 (by Mr. Martin) What was the conversation which passed between you & me?

I remember to have seen you but don't remember precisely the conversation.

Did you not say I was wrong in opposing these ticketts that I had lost upwards of 25 by doing it?

I do not recollect that—but I allways thought you wrong in opposing the tickets.

Did you not threaten to oversett the Election?

I say I would try—& assigned as reasons for my trying that the constables were not even citizens & that one of the Inspectors was not a Freeholder.

You were Clerk—is the list of Voters presented here the true list?

There were two clerks—& diff't lists one of these is my handwriting & the real list.

Were you in Bedford before Mr. Mann?

I was.

Did you tell the other Judges that the return of your District was made out?

I did & that Mr. Mann had it.

Who read the Ticketts destroyed?

None that I saw excepting Mr. Wink & myself.

Was there any fraud in the Election?

A man of Air Township presented a Vote—a Judge observed it was one of Woods Votes & that it could not be taken as the Election was then closed. Another came soon after & had his vote received.

Had notice been given that the Election was closed when the vote you speak of was opposed?

I do not know.

Question concerning fraud repeated—

I did think that the Judges were too much under the influence of Mr. Martin. I address as instanus of this the support given by Mr. Martin's opinion to an inspector who was not a Freeholder & of Mr. Martins prevailing over the Judges to set aside the first divided Ticketts, it being for Mr. Woods.

Mr. Berkly.

Have you any other papers relating to the Election?

I have an abstract from ye returns of ye whole excepting the 2d District.

Mr. Berkly being desired to relate what he knew proceeded.

Iwas one of the Judges of ye 1st District—was the Election all the time of it & was particularly attachd to two town-

ships, Bedford &—The tickett of Jno. Marshall mentioned by Mr. Cesna was received—I knew him extilled—he had taken the oath—Bickey I know nothing of—(the list of Voters names was now read by Mr. Cesna & that of Richey was not to be found therein as to little Saml McCarland—I offered it as my opinion that if either of ye Judges knew Him to have taken ye oaths—He ought to be admitted to vote tho' he had no certificates. The Judge to whom I immediately spoke doubted if the other Mr. Casland & Anderson I did not see.

We closed ye Election in the evening I read the votes for Councillor & assemblymen. The 1st improperly divided ticket I held up took ye opinion of the other Judges upon it, agreed to set it aside. I put all such into my pockett with intention to count them, 4 of this sort read for Mr. Woods. No opposition was made to the setting them aside. There were also 7 or 9 others set aside which were strung or hanging together, which I also put into my pockett—for whom these were I do not know I never looked at them. There was also a certificate given in place of a Tickett. These were all that were set aside or desiroyed.

Q.—(by Cesna) Did I not tell you that you had 19 ticketts strung together.

No.

Don't you remember throwing them over my shoulders?

No.

Don't you remember my telling you take care of them?

No.

Did Marshall shew you his certificate.

No.

Q.—(by Council) Were the two bundles brought down by you the Identical papers of the Election?

They are at ye close of the Election I put them into a box & sealed it. But ye box being large tin convenient to carry—I again unsealed it & put all the papers except y one Tally paper concerning Commissioners together—The papers now here are those I speak of—I saw no irregularily in the conduct of the Election—I never saw one at which there was less. In one box there were 5 names for which there were no checks these names were struck of the list. End of Mr. B. Testimony.

Davidson Esq. was present when the ticketts of District 1st were called off from the beginning to the end.

Judges consulted concerning the 1st Tickett set aside concluded unanemously to reject it.

607 he believes were thus rejected. Did not know the con-

tents of those rejected. Did not observe Cesna take any account of these Ticketts but saw pens in his sleeve.

1st Feb. 1786 Council met at Mr. Presidents House.

Jacob Wink Judge of 2d District Bedford Co. sworn, &c.

The Election conducted as agreeably to law as we could—we had the Law with any dispute during the Election?

Objections were made to an Inspector because he had not a Patent for his Land.

Any dispute concerning the Tickets—whether proper or improper?

No. None that I recollect.

Were any tickets set aside?

Yes. Some on Acct. of their not being cut properly, others for being mixed.

What numbers was so set aside?

I do not know. I cannot think there were many.

Did there appear to be any fraud or intention in ye conduct of ye Election?

None. The persons conducting it unanimous.

For whom were the destroyed tickets?

Some were destroyed for both Candidates.

Do you recollect how many for each?

I cannot precisely say—Two I remember for Mr. W. 3 or 4 for Mr. M. beyond this I cannot remember.

Were the Clerks careful in writing the names?

I believe they were.

Who were they?

Mr. Cropin was one—&—Mr. —

Were they men of fair character?

Yes.

Were the people left to their own choice?

Yes.

Mr. Alexander Inspector 2d District

I read ticketts carefully. I believe others did. One Hunter proferred a piece of paper. I observed his ticket not to be full. He then took it back & was much offended. I saw him again near the close of the Election—& wished him to give his ticket. One Mr. Farland came. Mr. Cropin opposed his Vote. Mr. Martin shew'd me the Law.—Under this I took Mr. Farlands Vote.

When the election was closed & Candles lighted Mr. W. opened the boxes & read the Tickets—As those not tho't good appeared. He sent them to me & I put them by—When Air Box was counting the aff'd Hunter offered his Ticket—I refused it appeal'd to the Judges—my opinion confirmed.

Another Instance of this. The ticketts being counted of I kept imperfect Tickets in my pocket till the next morning—I then threw them out on my floor. I neither counted their No. in putting them into my pocket nor when I threw them away.

Did you mark any partiatily in the persons conducting the Elections?

I did not. I think it was fair.

Did the Clerks differ in their Accts?

No. I believe they were Vigilant.

Were there in any instance two whole Ticketts put in together.

I cannot certainly say there was.

To the honorable, the President and Supreme executive Council of the State of Pennsylvania:

The Petitions and Memorial of divers of the Free-Men Electons of Bedford County, humbly sheweth.

That great Injustice and Abusses ave been commited in this County at the late general Election; especially in the first and second Districts contrary to Justice, and the Spirit and true Intention of the late Election Law, insomuch that several fair & honest Tickets, have been, by some Judges rejected upon very improper Grounds. And as these Abuses have given Rise to a Contest between James Martin and George Woods Esq'r. in Respect to a Seat in Council. Therefore, your Petitioners humbly pray the honorably President and Council to establish, by Witneses, the aforesaid Votes, so unjustly condemned which will settle the Controversy, and, we believe terminate in Favour of Mr. James Martin.

It is our humble Opinion that If Rectitude and Justice be not strictly attended to in Elections the Morals of the People will soon be polluted, and Government gradually degenerate and at last become dangerous.

The serious Attention, of your honorable Board to the Premises, will give a Check to Abuses hereafter, and much oblige your Petitioners; and we shall, as in Duty bound, forever pray.

To his excellency the President, & the Honourable Members of the Supreme Executive Council, the petition of the Subscribers, freemen of the County Bedford humbly sheweth,

That in the carrying on the late General Election for the County of Bedford, at the first & second Election districts of the same County, divers fair and honest tickets were unwarrantably sett aside on frivilous pretences & not counted with the votes of the Electors, & as your petitioners have reason to believe, were distroyed, whereby the most essential & sacred priviledges of the freeman of the said County, have been violated, & the sources of public authority polluted.

That the Judge of the second Election district of the same County to whom was entrusted the return thereof, not arriving

at Bedford Town until late on the second day after the General Election aforesaid was not able to deliver the return of the votes of his district at the Court house till the day following, when the general return being still unfinished, he presented the return of the second District to the Judges of the five other Election districts, then and there met for the purpose of making the general return of the election of the County of Bedford, who, refusing, on objections, not grounded on the merits thereof, to admit of the votes—set forth in the return produced by the Judge of the second District, proceeded to certify the General Elections of the said County, independent of the votes given by the freemen of the 2d district.

That the deficiency in the general return of the County of Bedford aforesaid of which your petitioners complain, appear upon the force of the same general return; the Judges of Election, who have attested the same thereby admitting that the particular return of the second district of the said County, is not included in the pretended general return.

Wherefore, in order that Justice may be done in the premises, we do pray your Excellency & your honours, that an order of the Board may be issued, directed to the Judges of Election of the several districts of the said County, and other proper officers to transmit without delay to the Secretary of the Council, the Certificates aforesaid the Tally paper, Poll-lists, Tickets, and all other documents, which respect or concern the late Election held in the said County of Bedford, for chusing a Counsellor for the same County; And call for Witnesses if they think fitt.

And your Petitioners as in duty bound, will ever pray &c.

In Council

Philadelphia December 9th 1786.

On motion Ordered

That the opinion of the Chief Justice and Such other Judges

of the Supreme Court as are now in Town be taken upon the following question:

Can Council agreeably to Law admit into the return of any general Election Such votes as may have been set aside and destroyed by the Judges of said Election from the Circumstances of their non-conformity to that directory part of the Election Law which enjoins that "on one piece of the paper be written the names of the Counciller and Assemblymen and on another those of the Sheriff and Coroner &c'a?"

Extracts from the Minutes

JOHN ARMSTRONG JR SY.

Honorable The Judges of The Supreme Court

The Chief Justice and Judge Bryan, there being no other Judges of the Supreme Court nown in Town, have read and considered the above question proposed by Counsil, and We are of opinion, that Council may agreeably to law admit into the return of any general Election votes, that may have been set aside and destroyed by the Judges of such Election from the circumstance of their non conformity to the directory part of the Act of General Assembly, entitled, "An Act to regulate the General Elections of this Commonwealth, and to prevent frauds therein," in the fourteenth section, which enjoin that "on one piece of paper be written the names of the Counsillor and Assemblymen, and on another those of the Sheriff and Coroner &c." it being designed only for the purposes of greater convenience and dispatch; and that tho' the Judges might from the neglect of the Voter in this particular have declined receiving his Vote, yet receiving it, they virtually dispensed with that particular, and undertook the trouble of separating the names themselves, but the voter could not afterwards be for that reason destroyed

Dear Sir—This will be deliver'd you by Mr. Ealer who is the highest on the return for the Sheriff's Office in this County and goes down with the Returns to hand to Council—I need not say much to a Gentleman of your character who is so well acquainted with our Country with respect to persons and particularly to the Bearer, as you know him as well as I do—he has been now five years on the Return for the Sheriff's Office and to my knowledge and friend to those who want any assistance that he can oblige them in—There may (as I understand) be some objections made with respect to his having the Commission; on Account of his having Acted under me, or as some say, he has Acted as Under Sheriff—He never had a Deputation of me as Under Sheriff in his life—it is true he has served several Process Occasionally as circumstances required, but never was a Sworn Officer—when I was not at home, and any person came and took out any business that required being immediately Executed they went to Mr. Ealer and he served them—I would have gone down to Philadelphia myself, but last week received Orders to summons Jurors for a Supreme Court to be held here the 26th Instant, which must be done this week—Should any Objections be made to Council with regard to the above Circumstances—I expect Council will appoint a day and give the parties a hearing when I will attend if called upon.

Mr. Ealer will deliver you fifteen pounds on my Account, being all I can send you at present, by reason of my great

hurry, that I am not able to go and get some more, I purpose collecting in all the fees immediately and settle off with all the Officers as fast as possible. Ealer will shew you a list of all the Candidates Voted for in this County.

I am with respect

Dr. Sr. Your obed. servt.

DANIEL CLYMER, ESQR. ROBERT TRAILL.

To his Excellency the President and the Honorable the Members of the Supreme Executive Council.

The Memorial of William Craig of the County of Northampton.

Humbly sheweth.

That Peter Ealer who is highest on the Return of Sheriffs for the County aforesaid your Memoralists is ready to prove hath acted as Under Sheriff by virtue of an Appointment from Robert Trail, Esqr. late Sheriff of the said County for the last three years.

That by the Act of Assembly of February 14th, 1729, 30 which is yet in full force and unrepealed no man who hath been Under Sheriff of any County by the space of three Years is eligible as Sheriff of that County within three years next ensuing.

That the High Sherriff in such cases hath ever been held ineligible since the passing of the said Act of Assembly and the words and spirit of the said Act equally extend to the making Under Sheriffs ineligible to the Office of High Sherriff.

That your Memoralists is advised all Votes given for a Man who is notoriously ineligible are to be considered as thrown away.

That upon this principle your Memoralist will be placed on the Return with Jacob Bachman & it will be w[illegible] in the choice of your Excellency and your Honours to make either the said Jacob Bachman or your Memorialist the Sherriff to which choice your Memorialist will most cheerfully submit himself.

Your Memoralist therefore prays that an opportunity may be given to him of proving the facts sett forth in this Memorial and to this end that Robert Traill Esqr. the late Sheriff may be Summoned to give Evidence.

And your Memoralist will pray &c.

Octr. 15th 1784. WM. CRAIG.

We the Subscribers Freeholders, Electors and Freemen of the County of Northampton Most Respectfully beg leave to recommend Mr. Peter Caler (who was returned to your Hon'ble Board by a Considerable Majority of all the Electors of said County as a fit and Capaeble person for the Sheriffs office in the said County of Northampton; his character and Conduct (so far as came to our knowledge) stands fair and unimpeached. It is true the fairest Characters may be subject to Oblique and Malignant Stabs but when the like insinuations are made to Such an enlightened Body as your Honorable Board, we trust it will bear no more weight than it deserves. We do therefore humbly Hope Council will be pleased to appoint and Commission the said Peter Caler to the Sheriffs Office of said County. Which act shall ever be most Gratefully acknowledged by—Gentlemen your very Humble Servants.

To the Hon'rble the Supreme Executive Council of the State of Pennsylvania.

The Petition and Memorial of the Subscribers, Freeholders and Inhabitants of the County of Northumberland in the said State most Respectfully Sheweth—

That your Petitioners fully Sensible of the Invaluable Priviledges of Election in this free Country, cannot help feeling the most Pointed Distress when then Priviledges are invaded, This your Petitioners find to be the Case in a Remarkable manner at some of the Late District Elections in this County, The Fourth District in the County of Northumberland is by Law of this State passed the Fourteenth Day of June A. D. 1777, to be held at the hous of Ameriah Sutton for the Freemen of the Township of Muncy and Bald-Eagle to hold their Elections on the Fourteenth of October a Number of People from Different parts of this country Assembled at the said Suttons, they were there met by the Indian Land People, One Man from Bald-Eagle Township, and Sundry of the Inhabitance of Muncy Township Inspectors were then Chosen, the one for Bald-Eagle Township neither a Freeholder or Resident in said Township, as far as your Petitioners are able to find out on the Strictest Inquiry, Tickets even taken from the Setlers on the Indian Lands without hesitation, Wm. Shaw Esqr. a Justice of the Peace for this Country, Attended to Administer the Necessary Oaths, and John Little a Candidate for the Sheriffs Office Acted as a Clerk, The Indian Land People none of whome live within the Bounds of the Townships afforesaid, as well Evidently appear by the Certifyed Extracts from the Quarter Sessions Docket of this County, amounted to one half of the number collected Lawless and abandoned themselves, and totally Disqualified in point of Residence and Taxation, as far as we can find out in Respect of Alligiance to the State, Violating dayly the Laws and Disregarding the Proclamations of Government, It is repugnant to Common sense once to suppose them Intituled to Elect Legislators for the Orderly part of the Community; we cannot as freemen bear the Men of our Choice to be Ravished from us by the Opperation of an Election evidently supported promoted and carryed on by Fontion, for the Purposes of Subverting the free Choice of the Good People of this County—Struck with the glaring Impropriety of this Election, a Number of the Judges have Protested against it, at the Meeting of the Judges held within Two days of the Election Agreeable to Law, at this Meeting the Indian Land Judge Refused to Deilver his Return tho' Present, and the Judges of the Northumberland Town District Refused to Attend altho repeatedly called upon Thus Two Returns will be handed in to your Resputable Body, one by the Protesting Judges who met on

the evening of the Second Day after the Election and Dilivered in their Returns as Required by Law—The other by the Judges of the Disputed Districts, nothing on the Strictest Scrutiny of has been Objected against the Sunbury and Buffeloe Districts, the Charges against the Muncy Election are admited on all hands, both as to the Illegality of Appointing Officers and the Admiting of the Indian Land men to vote, Two of the Judges of that Election being from the Indian Lands Should this Example of Admiting the Lawless Indian Land Men to Vote at Muncy be Allowed, our right of Election is lost; this Instance of Indulgance in Government will be construed into incouragment, and thousands will crowd to these parts where they have nothing to fear from the Laws, from Niagara New York and every Part of the Neighbouring States, and the Sail itself may in the end be lost to Government. We are not able at this early period to develop with certainty the Misterious Management and arrangements which brought Capt Spaldane with a Company of the Connecticut Intruders from Wyoming to Vote at the Northumberland Town District, it is however evident that they have not a Common Interest or attachment to our Community, nor has one of them ever paid Taxes or been born or mentioned at any Tax List under Pennsylvania, that we could not support even the Shadow of Jurisdiction at Wioming without an armed force is Sufficiently known, and although many of them may have resided long within the Limits of Pennsylvania. Yet they never gave assurance of Alligiance to the State nor paid any obedience to the Laws. How great must our Indignation be to See those Men who have been our avowed, and in many Instances, Mortal Enemys, for near fifteen years past, Introducde among us for the Express purpose of Preventing our free Choice in Election,—For the sundry Irregularities and Grievances refered to in this own Memorial and Petition. We beg leave to refer the Hon'ble Council to the Inclosed Papers, and Humbly Pray that the afforsaid Elections may be set aside, and the Citizens of this County restored to their just Freedom of Election, and your Petitioners as in duty Bound will ever pray.

Sunbury Octr. 18th, 1783

His Excellency the President and members of the Supreme Executive Council

Gentlemen—

The subscribers Justices of the Peace for County of Northumberland think it their duty to lay before Council sundry Occurrences which have lately hapned in this County which they consider of an allarming nature, which may without timely Prevention, subvert all Order and Government in the County, sundry officers of Government seem to have assumed to themselves a dispensing power with respect to the Laws the Laws against Sitling &c on the Indian Lands are pointed swere and well known as a Proclamation from your Hon'ble Body directing all Publick Officers to enforce those Laws, has for some time past been Publickly handed about, Thro' all parts of the County, yet little notice is taken of it on the Contrary we find these verry Indian Land men caressed even by men in Office, enticed from there retreats brought into one of our Frontier Districts, indulged in all the Priveledges of voting at a Publick Election Two of these Irregular men whome we think ought to have been Commited for their Conduct, were made the Judges of one of the District Elections—On another quarter, almost every Indiavour of some of the Justices to Introduce the Laws of this State meets with Impedements and Delays men who have been Commited are released before they can reach the Jail of the County, Col. Butler in Perticular who has been Twice Commited, has each time been takin out of the hands of the Justices by the Sheriff, the first time he was sent home upon the second Commitment the Sheriff took him from the Officer, and we know not how he has been disposed of since. We wish not to Complain of the Sheriff or any other public Officer, but we think these Facts ought to be known—even the Judge of our Coart has so far demanded himself as to become security for some of the Wioming Offenders, and Interposed himself between them and a jail,—should these Irregularitys Continue if Offenders are carrassed by Publick Officers instead of being Punished a Desolation of Law and Government must Follow.—

The few Officers who Actuated by a sense of Duty endeavor to Execute the Laws will be born down and must either Temporize with their Brethern or Resign We have bound over to the quarter Sessions one Maning, who by Depositions taken

before us, as well as by his Own Concession is a liver on the Indian Lands—We pray that our hands may be Strengthened by very Lawful act or means in the Power of Council—For Deplorath is the Situation of a Cauntry when the Influence of bad men is as great as to make it unpopular to Execute the Laws—

We are with great respect Gentlemen your Hbl. servt.

William Sims of the County aforesaid being full age and duly sworn according to Laws deposeth and saith That a few days before the late Election being at Wyoming lots Zebulon Butler came up the River in Company with William Bonam. William Bonam acknowledged that his Business was to procure People to go down to the Election and boasted that there would be One hundred down at the Election. That the said Bonam was exceeding busy in inviting and persuading the New England People to come down. That on their way down from Wyoming be heard lot Butler tell Cap'n Geskins that there would be one hundred or better down at the Election. That on the day of the Election being in Northumberland Town he saw a number of the New England People standing together whom this Deponent knew to be no holders of Land under this State. He went up to them and asked them if they had given in their Tickets, they answered Yes, he then asked them if they were serious, they said they were and that their Tickets were taken from them and no Questions asked them. This Deponent then said to them it must be some expence to you to come from Wyoming to hand in a Bit of Paper to please some People, they said No. Mr. Bonam kept an Open House for them this Deponent heard Bonam tell one Shott to go up to his house and get his Dinner and further said it had cost him Twenty Dollars already. Capt'n Spaldane one of the New England men acted as a Judge and Lord Butler Son of Lot Zebulan Butler acted as a Clerk at the Northumberland District.

This Deponent further saith that on the night of the Sixteenth instant being in the Court House when Young Henry Antis came in and informed the Sheriff that he had been with the Judges of the Northumberland District and they had refused to come over the Sheriff then requested this Deponent to

go back to Northumberland Town and bring the Judges or at least one of them, for that was the last day they could do business in. He accordingly went to the Judges and delivered his Message accordingly. Two of them absolutely refused and the third said he could not get the returns or he would come. It was now Eleven O'clock when this Deponent came back to the Court House some of the Judges then produced their Lists and this Deponent saw them engaged in Casting up their numbers.

But did not stay until they finished; this Deponent however before he went away heard the Judge from the Muncy District refused to deliver his List, because as he said all the Judges were not there and further this Deponent saith not—

In Council Thursday October 23—1783.

Henry Antis Esquire being sworn on the Holy Evangelist deposeth & saith—

That the Return marked A was made on the 10th Day of October instant in the Court House at Sunbury— in the afternoon.and finished before Night—

That the Returns marked B & C were both signed at the same Place & same Hour & all the Judges mentioned in these 2 Returns signed before my Eyes at the Court House.—

The Judges mentioned in all the 3 Returns met together at the same Day & Place, till they had cast up the Votes of all the District—

Being asked why the Word "sixteen" in the Return marked C was struck out & the Word "seventeenth interlined" says, that they were all the three Returns were signed on the seventeenth & it was a Mistake, that the same alterations were not made in the other two—all of them having been drawn the Day before—None of the Returns were cast upon the 16th, only I took an account in writing of the number for the first District & from Buffaloe from the Judges of those two Districts— The Judges of the other two Districts offered Me their Returns sealed up, which I declined receiving, till all the Judges were present—

Sunbury:

The Judge of Muncy District came in the 15th about an Hour after sunset—& staid there till the Returns were signed

--The Judges of Northumd. District came into Sunbury the 10th between ten & eleven in the Morning & staid there till nigh sunset on the same Day—They then returned Home because I told them I would not receive the Return till the Judges were altogether and said they would come back early in the Morning about an Hour after they went Jacob Nisbach one of the Judges for Buffaloe District came into Sunbury.

The Judges of Augusta District were there all the time from the Election till the Returns were signed.

The Judges of Augusta District offered their Return on the 16th so did the Judge of Buffaloe on the same Day.

Simon Spalding lives at Wioming—is a Connecticut Man—and settler—He was a Continental Officer Richard. Manning lives on Long Island—James Murray lives in Turbut Township—James Espy, in Northumberland Town.

That Coll. Sobulon Butler was present at the Election at the Town of Northumberland as I have been informed & believe. He had been twice committed—the first time by Alexr. Patterson Esquire & brought down by Ensign Chambers & delivered to Me by a Mittimen of Fredk. Antis & Robert Martin Esquires or one of them, who undertook to do so untill they should have an opportunity of inquiring into the Matter—Daniel Montgomery & William Bonam & Captain Robinson were his Bail upon his first Discharge. Each of them in the sum of $25 for his appearance at the next Court & his good Behaviour in the meantime—thereupon discharged him after having consulted Esquires Antis & Martin soon after he was committed again by Alexr. Patterson, Legally David Mead Esquire for treasonable Practices—The Mittimen I delivered to the Honorable John Evans Esq'r of this city since I came to town sheriff & others brought him from Wioming & delivered him to Me—He was not put in Jayl—I told him to stay at Mr. Roman's—& then with the approbation of Esquires, Antis, Haw, Martin, admitted him to Bail again till next Court or till orders should come from the Chief Justices—& this good Behaviour in the Meantime—His sureties were Daniel Montgomery, James Morrow, James Espy & Wm. Roman in £25"0 each & several more offered themselves as sureties.

& after the Judges for Buffaloe District on the 16th just after dark had come into Sunbury I sent my son over to the Judges of Northumberland District to come over—And they sent Word by my son, that they would not come over that

night—& Mr. Espy one of them said he was too weakly to come then—But they would come over early in the Morning.

I then sent Wm. Tunis over to them & my son again with him, to tell the Judges of Northumberland District that they must come over that night, for it was the last Day on which the Business could be done—Wm. Tunis & my son brought Me the same answer again that my son had done before—The River was high. Then after Mr. Tunis & my son had come back, I took Memorandums of the Returns from the Judges of Augusta & Buffaloe District as before mentioned—Dont remember taking the Return from the Judge of Muncy District, but I did not, it was not his fault.

The foregoing additional Deposition was read over to Mr. Antis & declared to the according to his Relation.

The foregoing was read over to Mr. Antis & declared to be according to his Relations.

Elias Youngman	James Murray
Anthony Geiger	Simon Spalding
John Job	Jacob Triesbach

were Severally Sworn.

Elias Youngman examined says he was a Judge at Sunbury district—The Election was held at Sunbury—That he met the other Judges of said District at the Goal on the sixteenth to cast up the votes—that the Muncy Judge was not there and the Sheriff having sent for him, he came, but refused to deliver his return, he saw the Judge of the North'd district: on the 17th who asked deponent to Sign his return, which he refused unless the votes were taken out that were given by the Wyoming People That the Judges of Sunbury and Buffaloe on the 16th. has cast up their votes and prepared their return which they asked the Sheriff to Sign; but he refused as it was late said he had not slept for two nights, had no Clerk, and wished to meet all the Judges together—That W. Manning one of the Judges of the Muncy district lives on the Indian land, The Election was closed in the the night of the fourteenth.—

Anthony Geiger—Judge for Sunbury district. The opened the Election at ten o'clock on the 14th, and closed it between 11 and 12 o'clock that night—that he signed the district return on the 15th. That he and Youngman Judges of Sunbury, Triesbach from Buffaloe Mannong from Muncy, and the Judges from North'd met at the Court house on the 16th.—

John Job—Judge for Sunbury district—Richard Manning a

Judge of Muncy district told him more than once that most of the people who voted at Muncy were Indian land Men.

James Murray.—I was Judge for Northum'd district—there were three Judges for that district James Espy of North'd and Simon Spalding of Wyoming and myself that the people of the township of Shawaneze and Stoke voted at the said district Amounting to 24 as per list—being asked whether those persons had taken the oath of allegiance to the State before voting, Says some had, and some had not, but they were all qualified before closing the poll that these people had not paid any Taxes there, and he is convinced they had not, as no Tax has been laid by the Commissioners since the decree at Trenton—That Richard Manning lives on Long Island in the West branch of Susquehanna—That the reason of qualifying some after voting was, that the Judges were not possessed of the Law, but soon after procured it, and they were all qualified—That the Judges said district consulted William Montgomery, Thomas Hewitt and Robert Martin Esquires who said that the Wyoming People had an undoubted right to vote That Robert Martin Esquire administered the oath to those who voted, many of them after voting and that all of them produced a Certificate of having taken an Oath of allegiance to the State of Connecticut—That both returns were executed on the 17th. altho' one was dated on the 16th.

Simon Spalding—Judge for Northumberland district.—Says he lives at Stoke in Wyoming—That he has not taken the oath of allegiance, to this State, but as an officer has taken an oath of allegiance to the United States—was a Captain in the Continental Service has lived nine years at Stoke—Seven of which he has served in the army—that 24 persons out of the township of Stake and Shawaneze voted at the said district—11 out of the 24 were not Connecticut but from New York, one from Maryland, and some of Penna.—those of Penna. were John O'Neal and Hugh Fordsmans—Some of the people voting at the said district took the oath of allegiance to the State before voting and some not till after,—That he knows of no persons at that place who stand out against the Laws of Penna.—that none of them have paid Taxes to this State—That he believes the sheriff has never met with any opposition in the execution of process at Wyoming—That W. Montgomery and the Magistrates there, upon looking over the law, gave it as their opinion that persons having taken an oath of allegiance to another State, and then resided in this State had a right to vote.—That he heard Forman and Buck say they had taken an oath

of allegiance to Penna—and that Forsman took an Oath afterwards to Connecticut,—He is not sure whether they took it again on the Day of Election—That Judge Manning told deponent some people who lived on the Indian lands had voted in the district.—

Jacob Triesbach—Judge of Buffaloe Says both returns were signed on the 17th.

James Murray Continued—He Says the Tickets now produced and Marked No. 1 and 2—are the Indentical Tickets given in by the People of the Townships of Shawaneze and Stoke—and that the Tickets marked No. 3 are the same. Tickets that were given in by the People of the Tp, of Wyoming—The People of Wyoming Tp. always acknowledged themselves subjects of Penna. and have paid Taxes to this State.—

Richard Manning a Judge of Muncy district told me that they had not saved any of the papers of the Election and that they had destroyed the tickets after summing up—they did not know that they were of any use.

Simon Spalding.—He says that the principle upon which the People of Wyoming meaning those of the the townships of Stoke & Shawaneze came down to vote was to shew the disposition they had of complying with the laws of Pennsylvania, and that they thought that a good opportunity of shewing it.

Henry Antes Esq.—He attended at Sunbury district where the Election was conducted according to Law in his opinion, He saw no irregularity there—W. Manning a Judge from Muncy told him that John Hamilton who lives on the Indian land voted at Muncy district.—Said Hamilton formerly had an Estate within the purchase but don't know whether he now has any—He says he has executed three writs near Wyoming and the defendants gave Bail—and one near Winters' fort 6 miles—from Wyoming he has never served any ejectments there.—James Logan of Wm. Coy. was Plaintiff in one of the S'd Suits—One Montgomery was Plaintiff in the other and John Harris of Sunbury Plaintiff in the third and several served by his deputies in that Country of which he has no return—Neither he nor his deputies to his knowledge met with any opposition in executing the S'd Writs—W. Wm. Maclay to whom I applyed on the Occasion advised me to sign both return.

Richard Manning being duly Sworn

Says he lives on Long island in the river Susq'a—he was a Judge of Muncy District composed of Bald Eagle and muncy Townships—to the best of his remembrance there

were 60 tickets, or between that number and 70 received in S'd district—The only one that voted from Bald Eagle Township was one Fleming—the papers & tickets were destroyed after voting There were about 12 or 14 persons from the Indian lands who voted in said district—Says he knows of but one besides himself to wit Frederick Bodine that voted from the island—the two from Long island are included in the number of 12 or 14—he saw the general run of the Indian land votes, they were most of them in favor of Wm. Montgomery and Geo. Potter Censors—Robert Martin Councellor—Dan'l Monty. Fk. Antes and W. McClenaghan Assy.—Henry Antes Sheriff—Says the People in general on the Indian lands are settled there without the consent of Government as he believes The Indian land Men to his knowledge have not paid Taxes for the said lands, he has taken the oath of allegiance to this State in due time and also the Indian land Men, and that very early I believe this from information only.—David Robb and David McKinney were Judges with him—David McKinney lives on the Indian land but keeps his family at Sunbury, he asked all the Voters to a Man whether they had taken the oath of allegiance and they told him they had, he did not see their certificates. One Dougherty who acted as Inspector for Muncy district lives in Turbutt Township, Northumberland district 15 miles from Muncy.

To the Supreme Executive Council of the Commonwealth of Pennsylvania

The Petition of the fourth Battalion of York County Militia—Humbly Sheweth.

Whereas According to an Act of General Assembly passed the 13th day of June 1777—It is provided that no person shall vote at any Election for the Choice of any Civil Officer, who shall not have taken and subscribed the Oath giving Assurance of Allegiance to this Commonwealth.—And also according to a Supplement to the Act for the Security of the Government passed the tenth day of September last—it is provided that all persons who had not taken and subscribed the said Oath of allegiance before the first day of June last—Should be liable to the same Disabilities and Incapacities—as is by the afforesaid Act Receted—

Nevertheless contrary to the afforsaid Acts of General Assembly—The Judge for the District of York Town did on the 13th day of October, Suffer Persons who had not taken the Oath of Allegiance before the first day of June last—and even those who would take it on the said thirteenth day of October, to vote at the Election for Civil Affairs held on that day.

And Whereas your Petitioners, part of the Second District of the Said County, did according to Law, carry on the Elec-

tion, not Suffering any person to Vote who had not given assurance of their Allegiance before the first day of June last.

Your Petitioners therefore, beg, that the members who have been chosen to Represent the said county, may not be allowed to take their Seats in the House of Assembly nor Executive Council of this State, untill an examination of the Election may be had, as they look upon the proceedings thereof to be Altogether Illegal and Contrary to Law, and if suffered to be practiced may draw on Evils on the Commonwealth not yet known.

And your Petitioners in behalf of the South Battalion of said county, as in duty Bound will pray.

To his Excellency Thomas Wharton Junior Esqr. President of the Supreme Executive Council of the Common Wealth of Pennsylvania.

The application of the Subscribers, Inhabitants of the Town of York, in the County of York, most humbly Setteth forth, That Whereas There are present only Two Justices of the Peace Commissioned within the Town of York; And by Reason of the long Interruption of the Administration of Justice, it is found Requisite for the due Establishment, and Administration thereof That Orphan's Courts and private Sessions be frequently held; which at this Time of publick Throng, hurry and confusion, it is very inconvenient in various pressing cases to delay the Applicants from distant parts of the County who come on Business of the most important and urgent nature; as also to send into the Country for Magistrates in Order That the Business may be done.

We Therefore In Pursuance of the Act of General Assembly of this Common Wealth passed the Fifteenth Day of March A. D. 1777. In this Case made and provided, And also the Act of the said General Assembly, to which that is a Supplement, Do Apply to the Supreme Executive Council of this Common Wealth Praying That a Commission may Issue from the said council appointing Jacob Eichelberger who was duly elected with William Leas Esqr. on the Tenth Day of March last past in pursuance of the last above recited Act of General Assembly

And also Michael Hahn of the Town of York aforesaid—Justices of the Peace for the said County—and Your Applicants as in Duty bound will Pray York 12th Feb. 1778.

To The General Assembly of representatives of the freemen of Pennsylvania.

The Petition of John Orr of the county of York and Mathew Dill of the said county humbly sheweth,

That in the general Election lately held at Yorktown for the first district in the county of York divers unlawful courses were taken in the receiving of tickets from persons disqualified to vote for members of assembly, sheriffs and other officers and otherwise. That in consequence thereof the return made to this honourable house is not according to law, and that the persons returned by the sheriff and others of the judges of the said election are not the choice of the majority of the legal electors who voted in the five several places of election for the said county. That the major voice of the said qualified electors fell upon John Hay, Mathew Dill, John Orr, David Dunwoody, John Agnewand, James Dickson—and that these persons are the true and legal representatives of the county of York in Assembly.

Your petitioners therefore in behalf of themselves and others electors of the said county whose petitions for redress on this behalf are before you pray this honourable house that they may be heard upon the premises on a day to be appointed for that purpose in order that the truth of the matter may be set forth and the guess of your petitioner and others of the freemen of the said county may be redressed and that in the mean time you would for the ease of witnesses and for the furtherance of justice authorise affidavit to be taken in the presence of parties in the said county of York in evidence of the merits of the complaint of your petitioners and your petitioners as in duty bound.

Shall ever pray
MATTW. DILL.
JOHN ORR.

Messrs. David Denwoody, James Dickson, Matthew Dill, John Agnew & John Orr, Esq, Late Members of the Honourable the general Assembly of the State of Pennsylvania.
